DIRTY HONEY WILL COME TO GERMANY WITH A NEW ALBUM IN 2027

Dirty Honey will be coming to Bochum, Hamburg, Berlin, and Munich in February 2027 as part of their Lights Out EU/UK Tour '27. Just a few weeks earlier, on January 15, the Los Angeles-based rock band will release their third studio album *Catch My Butterfly* produced by John Feldmann. With their first singles, "Lights Out" and "Butterfly," the trio is already showcasing the musical range of the new album—spanning high-energy rock 'n' roll, big guitar riffs, and soulful moments. Presale tickets will be available via CTS and myticket starting September 24, 2026, at 11:00 a.m., with general presale tickets following on September 25 at 11:00 a.m.

ABOUT DIRTY HONEY

Manche Musiker:innen brauchen eine Weile, um sich ein Publikum aufzubauen und eine Verbindung zu ihren Fans herzustellen. Für das Quartett Dirty Honey aus Los Angeles kam der Erfolg direkt aus dem Nichts. Die im März 2019 veröffentlichte Debütsingle der Band, "When I'm Gone", war der erste Song eines Artists ohne Plattenvertrag, der Platz 1 der Billboard Mainstream Rock Charts erreichte.
