"MITTEN UNTER EUCH" - TOUR 2026

ADDITIONAL SHOW IN FRANKFURT

What madness! You sold out the stadiums so quickly that even after 45 years, we are once again completely speechless.

And because our 'home base' in Frankfurt is a particularly emotional place for us, we're going one better for next year: on 3 July 2026, we'll be playing an extra show at the Waldstadion as part of our 'Mitten unter euch' tour. Anyone who has missed out so far should mark the date for advance ticket sales in red on their calendar: sales start on Tuesday, 16 December at 4 p.m. at <http://bo26.myticket.de/>. If you want to see us live in 2026, don't hesitate – there will be no further stadium shows next year! Tickets for Vienna are still available at: <https://www.oeticket.com/event/boehse-onkelz-ernst-happel-stadion-20890284/>

We're now playing the last shows of our magnificent tour, celebrating Christmas and New Year's Eve, and then looking forward to an unforgettable summer – with the best choir in the world!
