OCT (ON COMPANY TIME) THE PTO TOUR

VIRAL COMEDY-POP HITS THE STAGE: OCT IS COMING TO GERMANY

The New York-based comedy-music trio OCT (On Company Time) is coming to Germany for the first time in September 2026 for four exclusive shows. As part of their "The PTO Tour 2026," they'll stop in Frankfurt, Munich, Berlin, and Hamburg, bringing their internationally acclaimed live show to German stages. Known for viral songs like "Don't Touch My Clogs" and "Half Horse, Half Man," OCT combines musical precision with surreal humor and contemporary pop production. Their shows deliberately straddle the line between concert and comedy and are among the most innovative formats on the current scene.
