MASSIVE WAGONS

'EARTH TO GRACE' EUROPEAN TOUR

UK ROCK BAND MASSIVE WAGONS ANNOUNCE DATES FOR 2025. SHOWS CONFIRMED IN HAMBURG, ASCHAFFENBURG, OSNABRÜCK, NUREMBERG, JENA AND LEIPZIG IN SPRING.

Massive Wagons, the British rock powerhouse, was founded in 2009 out of sheer boredom in a small town and a desire for loud live music. Led by Baz Mills, each member puts their heart, soul and sweat into every performance. 100% dedication is their motto - a tradition they have inherited from their rock idols. It is precisely this dedication that will see the British hard rockers return to German stages in spring 2025 - for six shows in Hamburg (20 April, Bahnhof Pauli), Aschaffenburg (22 April, Colos-Saal), Osnabrück (23 April, Rosenhof), Nuremberg (24 April, Hirsch), Jena (2 May, F-Haus) and Leipzig (3 May, Hellraiser). Tickets are available from Monday, 4 November 2024, 10 a.m. in the exclusive presale at myticket and CTS Eventim and from Wednesday, 6 November 2024, 10 a.m. in the general presale.
