KARD ARE RETURNING TO GERMANY FOR TWO EXCLUSIVE SHOWS

Since their debut on July 19, 2017, under the DSP Media label, KARD has established itself as one of the most well-known co-ed groups in K-pop. The quartet—comprising members BM, J.Seph, SOMIN, and JIWOO—blends K-pop with EDM, hip-hop, tropical house, and Latin-inspired sounds into a distinctive style. With hits like Oh NaNa, Don't Recall, Rumor, Bomb Bomb, Gunshot, and ICKY, the group has built a global fanbase and is internationally considered one of the most successful acts in the genre.
